

## Katie Tia-Amanda Levine

February 4, 1992 - May 11, 2026

A beautiful soul has left us. Family and friends are devastated by the unexpected passing of our beautiful daughter Katie Tia Amanda Levine. Growing up, Katie was a precocious and curious child. And she continued her inquisitive nature throughout her life. Her book collection spanned a wide variety of subjects. Her art ranged from stained glass, which she loved ever since she worked for Renaissance Glass Co., to her most recent efforts to bring together elements of the natural world mounted on colored and antique glass. Lately, Katie had been collecting and learning to play several musical instruments. She talked about music constantly; music was her joy and inspiration.

Katie loved her family and her friends even as her emotional world began to darken. She struggled with her demons. As many who knew Katie saw, she could have an obstinate streak which led her to resist access to mainstream health care. However, she has now found peace. May her memory be a blessing to all who knew her. We love you Katie, now and forever.

Katie will be greatly missed by her parents, Kenny and Ellie Levine; her aunts and uncles, Barry Levine and Sheila Boehm, Chuck Nicholuson, Aileen North, and Richard and Barbara Levine; her numerous loving cousins; and her friends, many of whom were from her work in the service industry. A "Celebration of Katie" will be held at a later time.

Donations in her name may be made to Health Alliance for Austin Musicians (HAAM) or the SIMS Foundation.
