

## Glenn Williams

November 26, 1942 - April 17, 2026

Vyron Glenn Williams (Glenn) left this life peacefully on April 17, 2026. Waiting for him on the other side are his parents Willene and Vy and his brother Dan. He is survived in this life by Karen, Casey, Colin, Jennifer, Tristan, Katy, Grace, and Griffin who loved him unconditionally. He is also survived by his daughter Lane, his sisters-in-law, nieces and nephews, and many Tyler and Williams cousins.

Glenn loved his family, his puppies, lake life, country music, and diet Coke. He had a particular soft spot for animals and old people and they responded to him in kind. He also loved golf and finding the Teehuggers when we moved to Austin was a gift he truly enjoyed.

His legacy to us all is: be kind, be faithful, and deal with whatever life throws your way with grace and dignity. And remember to laugh. Throughout his battle with Lewy Body Dementia, he never lost his sense of humor.

Heartfelt thanks to the many people who helped us toward the end including Valerie, Jasmine, Mandy, Nikki, Naomi and Thad.

All is well with his soul.
